**AcuLe@rn Ties Up with Pacific Internet to Promote On-Demand
Internet Presentation Solutions**

Singapore, 15 July 2003 --- AcuLe@rn, the world leader in software for e-Learning and communications, today announced its maiden partnership with a regional Internet company, Pacific Internet (Nasdaq: PCNTF), Asia's largest telco-independent Internet service provider by geographic reach.

Under this partnership, AcuLe@rn will collaborate with PacNet to extend AcuLe@rn's solutions to fulfill companies' corporate communications, training and learning requirements. PacNet will market AcuLe@rn core solution, under its branded suite of video, voice, security, virtual private network and roaming offerings, to its corporate business customers. The alliance will propel AcuLe@rn's product presence across the region through PacNet's strong Asia Pacific network.

Said AcuLe@rn CEO, Mr Ken Tan, "We have seen increasing demand by businesses for Web services to support corporate operations more efficiently. The alliance is timely and strategic as it allows us to share our proven solutions with new corporate customer base across the region. We are delighted to have PacNet as our strategic channels partner."
